**Summary**

**Please note, this is a highly specialized industry and the sellers will only entertain offers from qualified buyers with a high level of experience in the market, and the infrastructure in place to expand market penetration.**

Company has a portfolio of award winning nutritional supplement brands for over 20 years. They sell direct to consumer via their website and online retailers like Amazon, Walmart, Costco, as well as numerous retail stores.

The company offers a diversified customer base in 6 different countries. Customer retention exceeds 80%.

Along with a superior reputation, there are 15 trademarks on products in the US, Canada, and Japan. Management is willing to remain through transition and consider long term post close roles.

All product ingredients are natural organic, vegan, gluten free, raw, and GMO free. The owners have maintained high quality standards while offering delicious products that sell for competitive prices. The diversity of awards demonstrate the products outstanding quality and taste.
